Description			
<i>Provide a short description of the event and its activities.</i>			
<p>During the project the project team established closer relations with another organisation of ex-pats – the community of Romanians in Belgium and their organisation «RomBel». As the Swedish training session did not gather the expected number of participants, we organised one more training session – this time for Romanian ex-pats. This online event took place on the <b>16th April 2024</b>. In this meeting participated 6 participants.</p>
